Recreation and Tourism Degree Program Focus Group

The Haub School of Environment and Natural Resources is developing a recreation and tourism degree at the University of Wyoming. Our goal is to benefit Wyoming's economy and increase the retention of UW's graduates in the state.

We're hosting a happy hour/focus group to learn more about:

- your participation in the recreation and tourism sector,
- your perspective on what recreation and tourism activities and features are important economically in Wyoming,
- your thoughts on recreation and tourism needs in Wyoming now and in the future,
- and what you identify as critical needs for skills and knowledge in this sector.

Please join us. We value your input in this process. Please also forward this invitation to others in your community who may be interested.

Tuesday, December 6, 5:30pm
Cowfish, 148 Main St, Lander
RSVP here

Send any questions to haub.school@uwyo.edu.
