Public comment was given by Anne Sutton, Clerk of District Court and Lt. Chett Hooper, Sheriff’s Department to introduce Sara King as the new Treatment Court Coordinator

MATTERS FROM COMMISSION AND STAFF
A motion was made by Commissioner Propst and seconded by Commissioner Barron to convene as the Teton County Scenic Preserve Trust. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

15. Consideration of Approval of a Request from Pathways for Pathway Work to Occur in a Conservation Easement (Teton County Scenic Preserve Trust)
Kristi Malone, Planning Staff and Brian Schilling, Pathways and Trails Program Coordinator, presented to the Board for consideration of approval a request for permission to alter wetlands within the Teton County Scenic Preserve Trust Melody Ranch conservation easement for Teton County multi-use pathway maintenance.

The section of County multi-use pathway subject to this request is located within the Teton County Scenic Preserve Trust (TCSPT) Melody Ranch conservation easement. Pursuant to Section 3.20 Watercourse and Wetlands Manipulation of the original easement agreement (doc. #0404940 filed in the Clerk’s Office and attached to this report), “Manipulation or alteration of natural watercourses, riparian communities, or other wetlands existing at the time of the execution of this Instrument for other than ranching or agricultural purposes is prohibited, without the prior written permission of the Trust, which permission shall not be unreasonably withheld. All such permitted activities shall comply with all applicable state and federal laws and regulations and shall require consultation with the Wyoming Game and Fish Department.”

Maintenance activities on this section of pathway proposed by Teton County Public Works include raising finished grade of the pathway surface, installing new culverts and adjusting existing culverts to repair flood damage and to meet minimum pathway width standards. Since side-slopes of the surrounding grade will need to be adjusted, approximately 1,205 sf of emergent wetlands are proposed to be filled. In order to comply with the TCSPT easement in place, the TCSPT Board of Trustees must provide written permission prior to any physical development that will alter wetlands within the easement area. Approval of this item by the Teton County Board of Commissioners, convened as the TCSPT Board of Trustees, will constitute written permission to conduct the proposed pathway maintenance activity.

There was no public comment.

A motion was made by Commissioner Propst and seconded by Commissioner Barron to permit the proposed alteration of wetlands within the Teton County Scenic Preserve Trust Melody Ranch conservation easement as proposed by Teton County Public Works Department in ZMA2019-0022 for pathway maintenance. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

A motion was made by Commissioner Barron and seconded by Commissioner Newcomb to adjourn as the Teton County Scenic Preserve Trust. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

MATTERS FROM PLANNING & DEVELOPMENT:

1. Applicant: LEEKS CANYON, LLC
LEEKES CANYON RANCH, LLC
FREMONT COUNTY COMMUNITY COLLEGE DISTRICT dba CENTRAL WYOMING COLLEGE

Presenters: Kristi Malone
Permit No.: ZMA2019-0003

Request: Request to amend the Official Zoning Map, pursuant to Section 8.7.2, Zoning Map Amendment, to rezone the lot of record at PT.NW1/4SE1/4 & PT.NE1/4SW1/4 SEC. 6, TWP. 40. RGN.116 HEREFORD RANCH TRACT 3, owned by Leeks Canyon Ranch, from Rural-1 to Public/Semi-Public.

Location: Located to the south and west of Jackson Hole High School, and on the west side of Flat Creek. The lot is currently undeveloped, zoned Rural-1, and within the Scenic Resources Overlay.

Kristi Malone, Planning Staff, presented to the Board for consideration of approval a request to amend the Official Zoning Map, pursuant to Section 8.7.2, Zoning Map Amendment of the Teton County Land Development Regulations (LDRs), to rezone a 2-acre section of a parcel (referred to as “subject site” throughout this staff report) adjacent to Flat Creek and contained within reconfigured Hereford Ranch Tracts 3 and 4 from Rural 1 (R1) to Public/Semi-public (P/SP).

Central Wyoming College (CWC) and Leeks Canyon Ranch, LLC are requesting to rezone the subject site from R1 to P/SP in order to construct the CWC Jackson Campus. This request for rezone applies only to the approximately 2-acre future CWC site as described in application materials and represented in the site maps below. The remainder of the 17.3-acre parcel within which the site is currently configured will remain in the R1 zoning designation. Civic zones, established in LDR Division 4.2, accommodate public and semi-public uses that are necessary to the community and require flexibility from the standards of the complete neighborhood and rural area zones. The purpose of the Public/Semi-Public (P/SP) zone is to provide locations for new and existing uses and facilities of a public or semi-public nature. Land in the P/SP-TC zone and/or facilities operated therein shall be under the control of federal, state, or local governments, or other governmental entities such as a school district or hospital district. Zoning the

subject site to P/SP allows a governmental entity to develop the site with flexible physical development standards, while still preserving the function of predictability in zoning regulations as well as the application of natural and scenic resource protections. In this case, rezoning the site to P/SP facilitates CWC’s intent to construct a Jackson satellite campus of the community college by providing more flexibility in the physical design of the site and buildings.

Brendon Schulte, Jorgensen Associates, addressed the Board regarding the application on behalf of the applicant.

Susan Durfee, Director of Central Wyoming College Jackson Outreach Campus, addressed the Board regarding the application.

Public comment was given by Willie Noseep and Kelly Lockhart.

A motion was made by Commissioner Barron and seconded by Commissioner Newcomb to approve ZMA2019-0003 dated September 18, 2019, for a rezone of a single 2-acre site from Rural-1 to Public/Semi-Public, with one condition, being able to make the findings of Section 8.7.2 as recommended by the Planning Director and Planning Commission.

Condition recommended by Planning Staff and County Attorney Staff

1. Prior to the subject site being effectively rezoned to P/SP by filing the rezone with the County Clerk, the applicant shall demonstrate to Teton County Planning Staff with a recorded deed that ownership of the site has been transferred to a qualifying government entity. If this demonstration to Planning Staff does not occur within one year of the rezone approval date, the rezone will be considered expired and the subject site will retain the R1 zoning currently in place.

Chair Macker called for the vote. The vote showed all in favor and the motion carried.

The meeting was recessed at 9:55am and reconvened at 10:03am.

2. Applicant: SRSC LOTS, LLC
   Presenter: Hamilton Smith
   Permit No.: S/D2019-0007
   Request: Partial Vacation of a Plat, pursuant to Section 8.2.13 Amendment of Permits or Approvals, and Subdivision Plat pursuant to Section 8.5.3 of the Teton County Land Development Regulations, to re-plat Lots 1-6 of the Snake River Sporting Club, Plat No. 1165, to create eighteen townhome lots, one common area lot, and one lot reserved for future development.
   Location: Snake River Sporting Club Lots 1-6, Sub Area III of the Snake River Canyon Ranch Resort. The site is zoned Planned Unit Development-Planned Resort and is within the Natural and Scenic Resources Overlays.

Hamilton Smith, Planning Staff, presented to the Board for consideration of approval a Partial Vacation of a Plat, pursuant to Section 8.2.13 Amendment of Permits or Approvals, and Subdivision Plat pursuant to Section 8.5.3 of the Teton County Land Development Regulations, to re-plat Lots 1-6 of the Snake River Sporting Club, Plat No. 1165, to create eighteen townhome lots, one common area lot, and one lot reserved for future development.

The proposed plat represents the subdivision of land for the approved Phase 3 and Phase 4 development located on Snake River Sporting Club Lots 1 through 6. This project contains 18 townhome lots and a central lodge that will house 14 condominium units, along with other Resort Support Services such as a spa, restaurant, and conference facilities. There is also a common area lot. On May 7, 2019 the Board of County Commissioners (Board) approved the Snake River Canyon Ranch Resort Final Development Plan for Phase 3 and 4 development (DEV2018-0001), with two (2) conditions of approval.

Conditions of approval applied at the time of Development Permit are as follows:

1. Adoption of all required avalanche hazard mitigation measures including direct protection of buildings, architectural designs, and other measures as detailed in the Wilbur Engineering, Inc. letter of July 5, 2018 shall be demonstrated prior to determination of building permit sufficiency for any structural development within Moderate or High Avalanche Hazard Zones on Lots 1-6.
2. Prior to issuance of Certificate of Occupancy for any dwelling unit in Phase 3 or Phase 4 it shall be demonstrated to the satisfaction of the Teton County Engineer that the proposed ground water well has been connected to the water system and is fully functional, or if the existing well #2 can be reconstructed and produce at an adequate capacity as demonstrated by well pump test, static water level test, draw-down test, or other parameters proposed by the project engineer of record and agreed to by the County Engineer, then well #3 will not be required.

The approved Development Plan is a requirement prior to an application to plat the subdivision. Compliance with Development Permit conditions of approval will be required during the building process and does not impact this plat review. However, the County Engineering Services department has reviewed the orientation of townhome lots and access and found it to be an adequate representation of design requirements pursuant to the approved Development Permit.

There was no public comment.

A motion was made by Commissioner Barron and seconded by Commissioner Newcomb to approve S/D2019-0007 partial vacation of Lots 1 through 6 on PLAT No. 1165 and re-plat of Lots 1 through 6 to Lots 1 through 20 of The Lodge Cabins at Snake River Canyon Ranch Resort, being able to make all four (4) findings of Section 8.5.3. of the Teton County Land Development Regulations, dated October 19, 2015, being able to meet the standards of Section 8.2.13.C. of the applicable Teton County Land Development Regulations, being able to make the finding pursuant to Wyoming Statute §34-12-108, that such partial vacation does not abridge or destroy any of the rights and privileges of other proprietors in Plat No. 1165, with no conditions, and with the partial vacation and re-plat complying with the Snake River Canyon Ranch Resort Master Plan, and request the Teton County Clerk to write “vacate” on the applicable lots within Plat No. 1165. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

MATTERS FROM COMMISSION

A motion was made by Commissioner Barron and seconded by Commissioner Newcomb to reconvene as the Teton County Scenic Preserve Trust. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

A motion was made by Commissioner Propst and seconded by Commissioner Barron to reconsider the previous motion regarding ZMA2019-0022. The staff report and original motion contained a typographical error that identified the underlying application as ZMA2019-0022, instead of properly identifying it as ZCV2019-0022. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

A motion was made by Commissioner Barron and seconded by Commissioner Propst to permit the proposed alteration of wetlands within the Teton County Scenic Preserve Trust Melody Ranch conservation easement as proposed by Teton County Public Works Department in ZCV2019-0022 for pathway maintenance. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

A motion was made by Commissioner Barron and seconded by Commissioner Propst to exit as the Teton County Scenic Preserve Trust. Chair Macker called for the vote. The vote showed all in favor and the motion carried.

EXECUTIVE SESSION

There was no executive session held today.

ADJOURN

A motion was made by Commissioner Barron and seconded by Commissioner Newcomb to adjourn. Chair Macker called for a vote. The vote showed all in favor and the motion carried. The meeting adjourned at 10:14am.
