	<ul style="list-style-type: none"> • Message from Unified Command 03/28/20: Following the spread of COVID-19 through confirmed community transmission, and the increase of individuals diagnosed to 13, the Teton District Health Officer, with authorization from the Wyoming State Health Officer, has issued Teton District Health Order #20-3 for Teton County, Wyoming. The Order requires that adults, older than 65-years-of-age, and those with high risk medical conditions, stay at home, except for essential activities. This Order, along with other current orders, may be found shortly on the Teton County Health Department's COVID-19 website. We recognize the difficulties this may bring to the community, and thank everyone for complying with this order to help us flatten the curve.
