	<ul style="list-style-type: none"> • Message from Unified Command: It has come to our attention that despite physical distancing messaging, folks are congregating on top of and around Snow King, Mt. Glory, and Targhee. Uphill access to these areas is a privilege and one that allows our community to continue to exercise outdoors, ski, and stay healthy physically and mentally. Protecting our community from COVID-19 is our first priority and if people cannot refrain from congregating in these areas, additional measures may need to be taken. It's simple: if you want access to the Pass, Snow King, and Targhee, maintain six feet of distance between skiers and do not congregate in groups. Unified Command thanks the community for their support in helping to flatten the curve.
