Kathy Clay, Fire Marshal

November 2013

Dear Community Member:

The safety of you and your family is our concern. Jackson Hole Fire/EMS would like to help you understand and prevent fire and injury potential in your manufactured home.

Enclosed in this packet are many pieces of important information that will help you understand how to prevent serious injury or events at your home. This education will help you understand how to prevent these incidents.

Please go to the Fire/EMS website for further information as well. The link is [www.tetonwyo.org/fire](http://www.tetonwyo.org/fire).

Of course, we are happy to answer questions or provide further information sources. Our offices are open Monday – Friday from 7:30am until 5:30pm, 307-733-4732.

At Your Service,
