

Teton County Rental Housing Resources

The Jackson/Teton County Housing Department does not currently have any rental housing opportunities available. However, there are approximately 400 restricted Employee Housing Units in Teton County that are all rentals. We have compiled the information below to assist you in your search.

These resources are managed by private companies, not by us. If interested, please contact directly.

The following is a list of suggested additional resources available for rental housing options:

- Ask your employer, some offer rental housing for their employees.
- Put the word out to everyone you know, sometimes people know of opportunities that may not be listed anywhere.
- Inquire at local hotels, some may be offering monthly rental rates.

We wish you the best of luck in your search for rental housing!
