S-A BUDGET MESSAGE W.S. 16-4-104(d)

The total amount of charges and assessments required to be raised for District Improvements and Services has been determined by showing, in reasonable detail, the various functions and matters proposed to be covered by the budget, showing the estimated income and other funds which may be received by the District, and showing the estimated amount of assessments and other taxes or charges required to cover costs and expenses by the general funds. The ISD continually works to increase its total General Funds, with a majority set aside in a separate savings account for undetermined future improvements as well as in the case of an unforeseen maintenance and repair to equipment that is maintained by the ISD. The budget shall be filed with and follow a format acceptable to the director of the Wyoming Department of Audit. Currently the District holds \$500K+ in a savings account as part of the General Funds for the District to use accordingly for the benefit of its members. The proposed budget reflects the District has scheduled to set aside and additional \$55K+ in the upcoming fiscal year to continue its efforts of intent to order improvements to the District properties for its members.
