

Airport Board

Type of Arrangement

Joint Powers Agreement with Joint Powers Governing Board

A governing board manages the affairs of an institution or program

Vision

Alliances – The airport works with groups within the community, including the National Parks Service, the Town of Jackson and Teton County. We also work with Federal agencies like TSA and FAA.

Customers – Customers are our focus. We are here to serve. All customers need to be treated with courtesy and respect. Customers include passengers and vendors who are based at the Jackson Hole Airport

Co-Workers – All airport employees including: ground transportation, airlines, rental cars and snow plow drivers. Communication between all the various teams at the airport is critical

Environment – Because the Jackson Hole Airport is located in Grand Teton National Park, a focus on the environmental guides our work at the airport. We strive to be good stewards by minimizing noise and carbon pollution, as well as minimizing the electrical and waste stress.

Safety & Security – Safety and security are top priorities at the airport. Ensuring safety and security is always part of everyone's job.

Mission

To develop a team that values the internal and external customer, manages by fact, ensures integrity and enhances innovation.
