

Teton County Library Board

Type of Arrangement

Special Statutory Agency with Governing Board
A governing board manages the affairs of an institution

Vision

Your essential place to thrive in a changing world.

Mission

We connect you with resources, people and learning.

Goals

1. Cultivate and sustain a responsive culture of service
2. Create and maintain a variety of opportunities for learning and provide effective tools for improving all types of literacy
3. Ensure effective use of library resources in order to meet community needs
4. Ensure our programs, services and resources are relevant, innovative and add value to the community
5. Ensure a strong organization

Board Purpose

The control, use and disposition of the county library fund is entrusted to the county library board of directors which shall budget and expend the fund for the maintenance, operation and promotion of the county library and county library system.

The board of directors shall appoint a competent librarian who with the approval of the board of directors shall appoint a library staff. The duties and compensation of the staff shall be determined by the board. Library board of directors shall elect a chairman and other officers as necessary and shall prescribe rules and regulations for the establishment, organization, operation and use of the county library and library system. The board shall enforce such rules and regulations in any court of competent jurisdiction.

Each library board of directors shall keep a record of all of its proceedings, file in the library all vouchers for expenditures, and after the close of the fiscal year submit an annual financial, statistical and operational report to the county commissioners and to the Wyoming state library.
