I-1 BUDGET MESSAGE

The O Bar B budget for the fiscal year ending June 30, 2016 is similar to last year, except that a SLIB county wide consensus grant award will be used to make improvements to the Storm Sewer system within the District. The tax levy will be set at the same value as last year, which when combined with customers charges will cover the expenditures for road maintenance, water system maintenance, and sewer system maintenance. The majority of the water system maintenance planned for last year was unable to occur due to unanticipated expenditures that were necessary to unplug a large storm sewer pipe. Therefore, the majority of the maintenance expenditures for the coming year are once again budgeted for the water system in order to install water meters and perform much needed maintenance on the well vault.
