Subject: Approval of Subaward Contract between Volunteers of America and Teton County

Statement / Purpose:

To approve the 2010 revised subaward contract between Volunteers of America and Teton County for disbursement of Federal Juvenile Justice and Delinquency Prevention Funds.

Background / Description:

Teton County receives funding from the Office of Juvenile Justice and Delinquency Prevention (OJJDP) (via Volunteers of America, Wyoming and Montana) for the purpose of attaining and maintaining compliance with the core requirements of the Federal Juvenile Justice and Delinquency Prevention (JJDP) Act of 2002. Funding is used for juvenile detention, risk assessment and the juvenile diversion program.

Teton County received funding in the amount of \$49,468 for the period from October 1, 2008, until September 30, 2009. Because Teton County did not have sufficient time to expend available funds, a "no cost extension" was obtained from OJJDP, extending the contract period by one year to September 30, 2010.

Fiscal Impact:

None identified

Grant management is handled by the Administration Office and the Teton County Clerk's Office.
