Dear County Commissioners of Teton County,

We are asking for approval to allow minors, state statute 12-5-203 (a) (ii) in the Trap Bar at Grand Targhee Ski Resort in Alta Wyoming. We have been granted approval the past two seasons and would like to do the same this season since we are a family oriented resort. Allowing minors in the Trap Bar helps us offer additional dining options for families and improve our overall guest experience. We are still going to operate the Trap Bar as 21 or older the majority of the time but we would like to have the flexibility to allow minors when appropriate.

Thank you for your consideration,
