Presents

Tim Phalen

12-lead ECGs Course

May 17th 8:30-5:00pm 2017

Tim Phalen has provided ECG education to over 75,000 healthcare providers in the United States, Canada, and overseas. He is recognized for his easy-to-understand approach, his relaxed style, and his audiences frequently state that they learned more about ECG's in one day of his class than they had in all the previous years. Tim was recognized by the American Heart Association in the 1997 ACLS Textbook, has written journal articles, authored The 12-lead ECG in Acute Myocardial Infarction and co-authored The 12-lead ECG in Acute Coronary Syndromes.

- Through interactive sessions, participants experience a highly visual, stimulating course in STEMI recognition, ECG changes, extensive interpretation practice, and rapid acquisition tips.
- Whether newer to 12-lead acquisition and interpretation or as a review, this course is an excellent and engaging training tool
- Lunch will be provided
- Course Fee:
 - \$50 Per Person for Non Jackson Hole Fire/EMS Members
 - More information to follow
